

OB-GYN ASSOCIATES
Medicare Patient Self Pay Fee Schedule
Effective February 1, 2015

This is a notification to Medicare patients on a policy change within our practice that will affect the ability for OB-GYN Associates to accept Medicare as insurance to pay for the services provided to our patients.

Effective February 1, 2015, OB-GYN Associates will be affiliating with Atlanta Women's Health Group. As a condition of our affiliation, we will be required to "Opt Out" of the Medicare program. **This will mean that we will not be permitted to bill Medicare or Medicare Advantage Plan insurance companies for medical services provided by the doctors and staff of OB-GYN Associates for dates of service on or after 2/1/2015.**

We are offering a special discount and individually designed fee schedule. We hope to continue to provide care for you on a self-pay or cash payment status under the discounted fee schedule. Please feel free to discuss any questions you may have about the fees with your doctor at the time of your visit.

As always, thank you for trusting us with your health care.

Sincerely,

Mary Chappell, M.D. Kimberly Huffman, M.D. Terry Kelley, M.D.

Colleen Killian, M.D. Bobby Tackitt, M.D. Kevin Windom, M.D.
