FINANCIAL POLICY

Thank you for choosing our practice. Our office is committed to providing the best possible treatment and also in assisting you with insurance filing and payment of your account. In order to accomplish this in a cost effective manner, we ask that you adhere to the guidelines listed below.

1. Insurance claims for services provided will be filed and monitored by our parent company, Atlanta Women's Health Group (AWHG). AWHG will file your claim if provided with complete demographic and insurance information. If information is incomplete we are required to collect payment in full at the time of service.
2. We do not accept Medicare and/or any related Medicare Advantage plans offered through other insurance carriers. We do not file claims to Medicare or any of these related plans. Patients with Medicare are required to sign an Opt Out of Medicare Form and to pay cash for services rendered at the time of the visit.
3. We will not be responsible for non-coverage of any services as determined by your insurance carrier. It is the patient's responsibility to verify eligibility and coverage with their insurance company.
4. Most laboratory charges ordered through our office are billed separately to your insurance by either LabCorp., Quest Diagnostics or Phyttest, our lab billing service. If you receive a bill from one of these companies, we ask that you contact them to resolve any question you may have.
5. We realize that OB patients' insurance plans may change over the course of the pregnancy term. We require that the patient keep us updated on those changes. Failure to provide updated information in an expedient manner may result in timeliness denials from your insurance carrier which the patient will ultimately be held responsible for.
6. All OB patients are required to pay at least 50% of the portion of the delivery fee not covered by insurance by the 1st day of the 4th month of pregnancy. The remaining 50% is due by the 1st day of the 6th month. OB patients are also required to promptly pay for any other services provided during the pregnancy. Care may be discontinued at any time for noncompliance of the above.
7. We expect you to call at least 24 hours in advance in the event you cannot make an appointment. A no show fee will be assessed based on the type of visit that was missed.

I have read and received a copy of the Payment Policy. I accept this policy for my treatment with OB-GYN Associates.

To Our Patients with Medicaid Benefits:

Every Medicaid patient has to choose a Care Managed Organization (CMO) with Medicaid. There are 3 CMO's – Amerigroup, Wellcare and Peach State Health Plan. A CMO must be selected within the first 60 days of your coverage or Medicaid will automatically assign you to one of the three CMO's.

Please call Georgia Healthy Families at (888) 423-6765 and request the CMO of your choice. A postcard will be mailed to you with your CMO Identification number. Please bring that card to your next appointment.

Also, do not choose us as your Primary Care Physician (PCP) as we are a specialty physician group.

If you have any questions, please feel free to contact me at (770)422-8700, extension 4119, or by email at snorman@ogamarietta.com.

We wish you a healthy pregnancy!

TO OUR PATIENTS WITH MEDICAID COVERAGE

This communication is to notify you that our group considers Georgia Health Partnership (Medicaid) and its contracted CMO plans (Amerigroup, Wellcare, and Peach State Health plans) to be a choice of last resort for payment of your obstetrical care. Any primary insurance carrier (i.e. Aetna, Blue Cross, United Healthcare, etc.) must be billed first according to the laws of this State, even if that coverage does not include maternity benefits.

If you knowingly do not inform Medicaid and us that you have another health insurance policy, you are committing insurance fraud. This is an illegal act that is prosecutable by law. If you have another insurance plan at this time or at any time during your pregnancy, you are required to provide us with that information.

If Medicaid pays your claims and then later demands their payment back due to another policy being the primary coverage at the date of service, you will be responsible for remitting to us the balance in full. If immediate full payment is not received, we reserve the right to commence prosecution as dictated by State law.

Please choose an option and sign below to acknowledge receipt of this notice.

- I, _____, do not have any other medical insurance coverage other than Georgia Medicaid or a contracted CMO.

- I, _____, do have other insurance and would like to provide it to you at this time.
